Dave:

Ruby died in December 2013, but wasn't she Cyril's first wife? It was Margaret Grillot that signed the 2006 ASAOC and was listed with K. Boesch as an owner in the county records.

Do you have more information on how the widows held the property, or about who holds what and how now?

Thanks, Tom

Tom beat me to it. Should I tell him about Ruby?

Looks like Probate does have a docket for K.A. Boesch.

I've been looking through my files for a copy of the "Open Burning" Permit for the South Dayton Dump and Landfill issued to Monsanto Research Corp., Dayton, Ohio, by the Montgomery County General Health District.

I have your email from last November, but the "attachment" is a blank. As this document may be an important piece of evidence of liability, could you send me a copy of the above-referenced document? The attachment you sent that was blank was a jpg file. Maybe you could try pdf ing a copy? Please send a hard copy in the mail to cover all bases.

I still have not seen the document in question, but I look forward to doing so. We're still working on a special notice package here.

Thanks, Tom

Tom,

Please see attached the "Open Burning" Permit for the South Dayton Dump and Landfill issued to Monsanto Research Corp., Dayton, Ohio, by the Montgomery County General Health District.

Please reply so that I know that you received this. As we have discussed on occassion, my emails have ended up in your spam filter with some regularity, especially when there are attachments.

Regards,

Larry
